

# POCKET DOOR KIT

Space-Saving Alternative to Hinged Doors

## IDEAL FOR SMALL SPACES

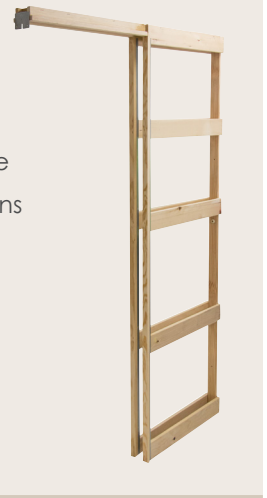

Builders Choice pocket doors perfectly maximize space in small areas. Pocket doors slide into a wall compartment rather than swinging out and wasting space. Great for closets, bathrooms, and for adding privacy to any room.

### POCKET DOOR KIT DETAILS:

- Ideal for Builders Choice interior door slabs\*
- Solid hemlock frame construction for strength and durability
- Fits 80" door slabs with 1" to 1-3/8" thickness, multiple door frame width options available
- Reversible door handing
- Partially pre-assembled\*\*

### KIT INCLUDES:

- Wooden frame
- Door track
- Installation hardware
- Installation instructions

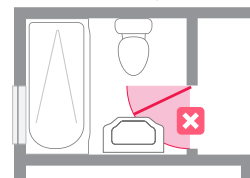

## PAIR WITH ANY INTERIOR SLAB

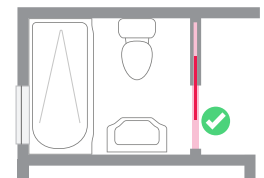

\*Door and handles sold separately

\*\*Requires removal of drywall and studs. Installation by a licensed professional is recommended.
