

fiberon® Brio™

Outdoor entertaining made easy.

Discover a flat, drink-friendly railing system made from a sturdy, low-maintenance composite. Fiberon® Brio railing is ideal for outdoor entertaining. Available in three essential colors including Tranquil White, Simply Brown and Serene Black, Brio railing is designed to complement all Fiberon decking.

- Square composite or black round aluminum baluster kits.
- Made of low-maintenance PVC composite; easy to clean and does not need to be stained or painted.
- Easy to assemble and install.
- Lighting accessories sold separately.
- ADA handrail system available via special order.

Brio 6- and 8-ft. line and stair kits are available with round or square holes for 36- and 42-in. rail heights.

Square and round baluster kits for 36- and 42-in. rail heights are also available.

5-in. post sleeve kits are available, with caps and mouldings included. 4-in. post sleeves, 5-in. post sleeves, caps and mouldings are also sold separately. Installation hardware is sold separately.
